

AOSIS Intervention on Compliance
February 10, 2015

Rationale:

- Past experience has shown us the importance of a robust compliance system.
- To that end we see the need for a system with two functions and offer the following text:

Proposed New Text:

Article X - Compliance

The Governing Body shall, at its first session, approve appropriate and effective procedures and mechanisms to facilitate implementation and enforcement of the provisions of this Agreement, including through the development of an indicative list of consequences, taking into account the cause, type, degree and frequency of non-compliance, building on experience under the Convention and its instruments.
